To support and uphold our community’s right to health by providing quality, equitable, and comprehensive care.

who we are
Via Care Community Health Center is a non-profit Federally Qualified Health Center in East Los Angeles. We have seven clinics and a school-based wellness center at Garfield High School delivering quality medical, dental, behavioral health, and supportive services. We support our patients throughout the entire life cycle in a manner that is respectful and conscious of the cultural and linguistic needs of our patients and their families.

who we serve
Via Care serves the entire community. Via Care is unique among healthcare providers as it serves all community members regardless of their ability to pay and regardless of their health, insurance, employment or immigration status. We welcome people of all ages, genders, and sexual orientations. Our community members are part of our Via Care family — no one gets left out.
