

# our mission

To support and uphold our community's right to health by providing quality, equitable, and comprehensive care.

## who we are

Via Care Community Health Center is a non-profit Federally Qualified Health Center in and around East Los Angeles. We have fifteenth clinics including a school-based wellness center at Garfield High School delivering quality medical, dental, behavioral health, and supportive services. We support our patients throughout the entire life cycle in a manner that is respectful and conscious of the cultural and linguistic needs of our patients and their families.

## who we serve

Via Care serves the entire community. Via Care is unique among healthcare providers as it serves all community members regardless of their ability to pay and regardless of their health, insurance, employment or immigration status. We welcome people of all ages, genders, and sexual orientations. Our community members are part of our Via Care family — no one gets left out.

Via Care is a Health Center Program grantee under 42 U.S.C. 254b, and a deemed Public Health Service employee under 42 U.S.C. 233(g)-(n) for purposes of medical malpractice claims and, as such, qualified for protection under the Federal Tort Claims Act.
